

PARKS & CONSERVATION

Environmental Incident Investigation & Pollution Enforcement 2030

A two-day programme in environmental investigation & pollution enforcement, with eight modules and workplace application.

DURATION 2 days

DELIVERY Public or in-house

Why this programme

Equips environmental wardens and legal enforcement officers with modern forensic investigation tools to detect, document, and prosecute environmental crimes and pollution.

What participants will learn

- 01** Watertight Evidence Collection: Master chain-of-custody protocols for successful legal prosecution.
- 02** Rapid Contamination Identification: Use portable testing devices for hazardous waste and water pollution.
- 03** Legal Compliance & Enforcement: Strengthen statutory enforcement against illegal dumping and industrial waste.

Who should attend

Park managers, rangers, wildlife officers, visitor-service teams and environmental protection or conservation agencies.

How you will learn

Trainer-led explanation and discussion connect the module topics to workplace application.
