

CSR & COMMUNITY IMPACT

Modern Philanthropy, Impact Investing, and Social Finance

A two-day programme in impact investing & social finance, with eight modules and workplace application.

DURATION 2 days

DELIVERY Public or in-house

Why this programme

Explore modern financial instruments - such as green bonds, social impact bonds, blended finance, and venture philanthropy - that mobilise private capital for social good.

What participants will learn

- 01** Understand blended finance structures combining philanthropic, private, and public capital.
- 02** Design and issue Social Impact Bonds (SIBs) linked to measurable social outcomes.
- 03** Evaluate impact investment deals for both financial yield and social returns.

Who should attend

CSR and sustainability professionals, corporate foundations, community engagement teams, NGO leaders and social-impact programme managers.

How you will learn

Trainer-led explanation and discussion connect the module topics to workplace application.
