

CSR & COMMUNITY IMPACT

Youth Empowerment and Future-Proofing Community Education

A two-day programme in youth empowerment & community education, with eight modules and workplace application.

DURATION 2 days

DELIVERY Public or in-house

Why this programme

Strategies for corporate CSR and non-profit leaders to build forward-looking STEM, TVET, and digital literacy programs that prepare community youth for the 2030 job market.

What participants will learn

- 01** Design scalable, market-aligned education and vocational training programs.
- 02** Bridge the youth skills gap in technology, green jobs, and entrepreneurship.
- 03** Foster public school and community center partnerships to amplify reach.

Who should attend

CSR and sustainability professionals, corporate foundations, community engagement teams, NGO leaders and social-impact programme managers.

How you will learn

Trainer-led explanation and discussion connect the module topics to workplace application.

Detailed programme

Day 1 | Foundations and core skills

01 Future of Work & Youth Vulnerabilities 2030

- Analyzing youth unemployment, automation, and emerging job sectors.

02 STEM & Digital Literacy Initiative Design

- Creating accessible coding, robotics, and tech skills programs for youth.

03 TVET & Vocational Skills Alignment

- Partnering with industry to ensure vocational training meets employer needs.

04 Soft Skills, Mentorship & Mindset Coaching

- Building resilience, critical thinking, and leadership in community youth.

Detailed programme

Day 2 | Application and action planning

05 School & Community Center Infrastructure Upgrades

- Enhancing learning environments through targeted corporate sponsorship.

06 Girls in Tech & Equity in Education

- Targeting gender disparities in educational opportunities and career paths.

07 Career Pathways & Apprenticeship Bridges

- Creating direct transition pathways from learning to employment.

08 Educational Program Design Challenge

- Designing a high-impact youth development initiative for a specific region.

How you will learn

Trainer-led explanation and discussion connect the module topics to workplace application.
